

SEE-U Potential Scholarships and Fellowships 2016-2017

Awards are shown with amount, deadline for submission, and a link to the website. Some listed awards have rolling deadlines, unspecific award amounts, etc. Please click on the links provided for specific details.

ACS Scholars Program

Up to \$5,000 | 3/1/2017 | <http://bit.ly/1xfsLb>

ACS awards renewable scholarships to underrepresented minority students who want to enter the fields of chemistry or chemistry-related fields. Awards of up to \$5,000 are given to qualified students. African American, Hispanic, or American Indian high school seniors or college freshman, sophomores, or juniors pursuing a college degree in the chemical sciences or chemical technology are eligible to apply.

American Floral Endowment Scholarship

\$300-\$4,000 | 5/1/2017 | <http://bit.ly/1sIZMJk>

The Original Los Angeles Flower Market was established in 1921, and the flower market is now part of the largest wholesale flower district in the U.S. Eligible recipients are sophomore through graduate level college students with a GPA of 2.0 or higher, pursuing degrees in floriculture and horticulture. Citizens or residents of the US and Canada are eligible.

Benjamin A. Gilman International Scholarship

Up to \$5,000 | 3/7/2017 | <http://bit.ly/1xwdluy>

The Benjamin A. Gilman International Scholarship Program offers grants for U.S. citizen undergraduate students of limited financial means to pursue academic studies or credit-bearing, career-oriented internships abroad. Such international exchange is intended to better prepare U.S. students to assume significant roles in an increasingly global economy and interdependent world.

FGCNYS Scholarship

\$1,000 | 2/1/2017 | <http://www.fgcny.com/application.html>

The purpose of the FGCNYS, Inc. Scholarship Program is to offer financial aid to students and promote the study of Horticulture, Floriculture, Landscape Design, Botany, Plant Pathology, Forestry, Conservation, Agronomy, Environmental

Studies, City Planning, Land Management, Wild Life Services and other allied majors.

Fund for Education Abroad General Scholarships

Up to \$10,000 | 1/11/2017 | <http://bit.ly/1P73Hgh>

Applicants must be US citizens or permanent residents currently enrolled as undergraduates in US universities/colleges who plan to study abroad for at least four weeks (a minimum of 30 days). Fund for Education Abroad awards are intended to support students planning to participate in high-quality, rigorous education abroad programs.

The Garden Club of America Awards for Summer Environmental Studies

\$2,000 | 2/10/2017 | <http://bit.ly/1B23ly1>

Open to college students following their freshman, sophomore, or junior year. These awards offer students who have demonstrated a keen interest in the betterment of the environment an opportunity for further study at a site chosen by the student. Some of the summer programs students have completed recently include the study of hazardous waste, marine science, energy, plant resources in the tropics, barrier island ecology, and oil spill cleanup and control.

NAGT Scholarships for Field Study

\$500 | 2/14/2017 | <http://bit.ly/1v06scv>

The intent of the awards is to support students' participation in intensive field courses in any aspects of geoscience (including geophysics, soil science, hydrology, etc.) that focus on students practicing skills of field observation, data collection, analysis and synthesis. Awardees are selected based on the importance of the field experience in meeting their educational and career goals, the quality of the field aspects of the course, and the importance of the financial award in allowing them to participate in the program. In addition, the committee endeavors to select awardees that expand the diversity of people studying geosciences in the field and a collaboration with the Association of Women Geoscientists (AWG) funds two additional awards specifically for women.

SEG Foundation Scholarships

\$500-\$14,000 | 3/1/2017 | <http://bit.ly/2cp6Vx7>

SEG Foundation Scholarships encourage the study of geophysics and related geosciences. Thanks to the generosity of our donors, the SEG Foundation offers a range of different scholarship opportunities.

TEAN Scholarships

Up to \$26,000 | 3/1/2017 | <http://bit.ly/1xwf3Bu>

The Education Abroad Network (TEAN) is deeply committed to giving students a once-in-a-lifetime opportunity to experience study abroad in a new and exciting culture. We recognize that in many instances, additional funding is necessary to make the study abroad experience both affordable and realistic. These supplemental scholarships were devised as a humble attempt to help students with the financial commitments required for an international education experience.

Udall Foundations Scholarship

Up to \$7,000 | 3/15/2017 | <http://1.usa.gov/1oGXwGk>

The Udall Foundation awards scholarships to college sophomores and juniors for leadership, public service, and commitment to issues related to American Indian nations or to the environment.
