FEE = Food, Environment, and Ecology; FES = Food Economics, and Sustainability; FS = Food Systems; NHH= Nutrition and Hunger/Health

Notes:

a: This is a new Sustainable Food Systems (SFS) Track course. The course will be taught by a staff member from Stone Barns Center for Food & Agriculture with a field trip to the center **Saturday, September 23rd from 8:30 AM – 5:00 PM**. There will be two evening classroom sessions held on the Columbia University Morningside campus. The evening sessions will be offered via webinar; however, **students MUST attend the field session to receive a passing grade**.

b: Agricultural Economics & The World on Your Plate. Please note that the course requirements fulfilled by these two courses have been updated to reflect course content. If you took either (or both) of these courses Fall Semester 2016, your requirements fulfilled are based on the 2016 course designations.
